PROJECTS

E-COMMERCE WEBSITE USING MERN STACK

Aug 2022 - Apr 2023

<https://mysterious-jumpsuit-calf.cyclic.app/>

An e-commerce website is a platform that allows users to buy and sell goods or services online. The MERN stack is a popular choice for building web applications because it provides a full-stack solution that includes backend and front-end development.

WEB APPLICATION TO CONVERT IMAGE TO SKETCH

Oct 2022 - Nov 2022

<https://image-to-sketch.onrender.com>

Converts an image into a sketch
